background

Feral Brewing Company is a micro-brewery situated in the beautiful Swan Valley. Just half an hours drive from the Perth CBD we offer a unique venue along with an exceptional selection of hand crafted award winning beers and premium wines.

Located just off Great Northern Highway, the Feral Brewing experience is not one to be missed. Come and enjoy it for yourself.

the beers

Uniquely hand crafted, there is a Feral Beer to satisfy even the fussiest beer drinker.

From the award winning and hugely popular Hop Hog with a strong pine needle and citrus aroma, aggressive bitterness and dry finish to the barrel aged Funky Junkie made from a blend of yeast and bacteria from beer spontaneously fermented with Swan Valley microflora—you'll want to try them all.

the food

With the recent appointment of a new Head Chef, Feral Brewing has an outstanding menu designed to complement our beer and wine.

Producing a seasonal handmade selection of beer and beer product based foods, the menu will showcase new Head Chef Mitch's passion for food and our amazing selection of beers.

the marquee

Permanently located to overlook the extensive beer garden, the marquee is a fantastic space to hold either your ceremony or reception.

With side opening panels, the marquee will allow a beautiful summer breeze to flow through on warmer nights. For those getting married in cooler months, complimentary heaters are available to keep the marquee comfortable and warm.

Capable of sit down receptions for up to 80 people and cocktail receptions of up to 150 people, our marquee is perfect for an intimate wedding reception.

At an additional cost the marquee can be themed with roof sails, centre pieces or a beautiful lolly buffet. The options are endless, dependent on your budget.

the beer garden

Imagine the birds chirping and the leaves blowing in the breeze. Now imagine as the bride walks down the rustic steps to the view of the gathered guests. This is how your wedding ceremony could be.

With complimentary seating arranged, white flags and a small table for signings, Feral Brewing can organise other items such as red carpet and topiary trees to make walking down the aisle an event to remember.
